

# Control4® T3 Series Tabletop Touch Screen

## Control4 T3-7 7" Tabletop Touch Screen (C4-TT7-BL, C4-TT7-WH)

The Control4® T3 Series Tabletop Touch Screen delivers always-on, dedicated, and mobile control over all the technology in your home or business. Featuring a gorgeous new tablet design and stunning high-resolution graphics, this portable screen looks beautiful whether on a kitchen countertop or in the theater on your lap. This model includes HD video intercom and crystal-clear audio intercom for convenient communications from room to room or with visitors at the door.

- Available in a 7" model, the T3 Series Portable Touch Screen provides dedicated, elegant, and mobile control of your home.
- HD camera, combined with high-fidelity speakers and microphone, provides the best video intercom experience yet.
- Crisp picture with two and a half times the resolution of previous models.
- Extremely fast and responsive—up to 16 times faster than our previous touch screens.
- Easily configured as a true portable or as a tethered tabletop for flexible installation.
- Wired and wireless connections through Wireless-N and 10/100 Ethernet.
- Flexible power options with AC power supply adapter, Power over Ethernet (PoE), or internal battery.
- Video intercom integration with the following door stations and touch screens: Door Station (C4-DSC-EN), T3 Series In-Wall Touch Screens (C4-WALL7, C4-WALL10), and legacy touch screens (C4-TW7CO, C4-TSMC7).
- Audio intercom integration with the door station and the following touch screens: T3 Series In-Wall Touch Screens (C4-WALL7, C4-WALL10) and legacy touch screens (C4-TW7CO, C4-TSMC7, C4-TSWMC5, C4-TSWMC7).
- Available in gloss white or black.
